Mark Smith
Putt for Funds
PO Box 2037
Indian Trail, NC 28079

Dear Mark;

This year, as you know, was our first year using the Putt for Funds fundraising event. The event was a huge success. Our school raised more money with this event than the last three fundraisers combined. The event, using the training and forms you provided, was well organized and easy to administrate. The day of the golfing was exciting. Each class went above and beyond the call of duty in lavishly decorating their hole for the event. The children, staff, and parents all agreed this was the best fundraiser ever.

Mark, thank you for your help. You led us each step of the way and provided all of the help needed to make this event successful.

In His Service,
