Dear Mark,

Finally! I have enclosed the CD of the pictures, as well as the copies of the newspaper articles covering our event. I also enclosed the survey. Thank you so much for all your help during this process. I think this event will be considered the highlight of the year at Waxhaw Elementary. I really appreciate your patience with me as I worked through the process and I feel you have a wonderful program to offer to schools. I would be happy to recommend Putt for FUNds to any organization. I am faxing the final copy of our collections today from the school. The totals have not changed from the copy I faxed on 1/18/06. Therefore, please send a final bill and I will see that it is paid as soon as possible. Thank you again for a wonderful experience.

Sincerely,
